## Description

Georgian oak pot board dresser This Georgian oak pot board dresser was made circa 1820 for a large estate farmhouse. Antique oak pot board dresser bases are a very versatile item and look so good in many places around your home. This example is a wonderful colour with a good patina Not only in the kitchen, but in dining rooms, hallways and drawing rooms. The example we offer you here has 3 drawers along the top with a further 2 small drawers to each side under the top drawers and a dummy drawer to the middle. These are above the three well turned front legs, with the pot board with its lovely old historic marks of use running along under. The boarded top has a plate holder running at the rear so that you can display plates dishes etc. Imagine this attractive dresser base in your home and not only how good it will look but also how useful it will be for its storage and surfaces. 174cms wide 68 1/2ins 42.5cms deep 16 3/4ins 89.5cms high 35 1/4ins All Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference. This Georgian oak pot board dresser is a very green product and has not damaged our environment. Delivery We can arr...
