Description

This antique Victorian burr walnut chest of drawers is a very fine example of this kind of model & has a lovely warm mellow colour. The pattern of the burr walnut running through all the drawers is beautiful & the overall quality is excellent. It has a solid walnut top, rounded corners & sits on a plinth base. The drawers are deep & graduated in depth. They have turned bun handles, locks & fine dovetails. This chest dates from around the 1860-70's period & is in very good original condition. One of the nicest features is the extra deep bottom drawer, which pulls out with the plinth attached. This makes it a very functional piece of furniture, with no wasted space. Width - 41 inches, 105 cm Depth - 20 inches, 51 cm Height - 41 inches, 105 cm
