Description

Edwardian Express Dairy Delivery Milk Cart This is a very rare survivor of early London door step milk deliveries, the top section holds crates and glass milk bottles, there are a few replacements here and they have been painted to look as though they are full of milk The larger cupboard underneath has double doors at each end which would hold milk churns and it has a chiller dispenser which would have been packed with ice and has a dispensing tap at the bottom where customers could have their own containers filled The cart is unrestored, in its original livery, it is more or less complete The cart is 61" high, 45" wide and 66" deep GB114 wWe Give Free Delivery to Mainland England & Wales, Scotland please enquire Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person and collection is not an option at this time. In the unlikely event you wish to return an item you should contact us immediately. Then arrange to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a full refund will be issued Please note that items collected by ...
