Item Reference: SA746745

Date of manufacture: 19th Century

Description

Date: c.1820 Condition: Excellent condition; no chips, cracks or crazing. Minimal wear - please see pictures. An excellent true trio dating to c.1820. The factory it came from is a bit of a mystery. This exact pattern was produced by Spode, pattern 2009, but the cup handles aren't a recognised Spode shape. The closest handle match in Berthoud's Compendium of British Cups is a Worcester example, but this isn't an exact match. Coalport is another possibility, as is Swansea. The painting is absolutely superb, indicative of a prestigious factory. Worldwide Shipping Costs - we pack and send safely worldwide using plenty of bubble wrap and strong double walled boxes. UK: FREE Europe: £15 Rest of World: £30 In the instance of wishing to purchase multiple items, please get in touch and I can provide a more accurate combined shipping price.
