Description

FINE heavy, early 19th century Georgian cut glass decanter. This is a cut above the normal run of the mill decanters. Great shape with faceted sides, three rings to the top and star cut base. Comes with its original faceted cut glass stopper. The stopper makes a great sound when it is put in the decanter. The decanter is in very good condition although there are a couple of nibbles out of the base of the stopper that you don't see. SIZE; 4 1/2" diameter by 10 1/2" high CIRCA; 1800 - 1820
