Description

A good pair of Old Sheffield Plate warming dishes, probably dating from the late 18th or early 19th Century. They have removable plates which allow access to a container below for hot water. The four feet are adjustable for stability. They are in a good, used condition and were bought along with a pair of silver entree dishes but, as they're not a match, are being offered separately. Dimensions: Width (including handles): 30cm Diameter: 24cm Height: 8cm. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
