Description

This cased set of silver forks and spoons are marked with a wavy line and a D in a box above 800 indicating a continental origin and 80% silver. They are in exceptionally good condition and appear to be unused. I have assumed they are for eating pasta as that is the only food that I could think of that one would eat with a fork and spoon, they are too big for dessert cutlery. Sizes: Fork - 8.25" (21cm) Spoon - 8.75" (22cm) Case - 9.5"x 10.5"x 2.5" (24 x 26.5 x 6.5cm) Weight - 1974g
