Description

A school clock case with oak face in tidy condition from early 1900s. This listing is for a full case only and painted metal face. There is no movement or brass bezel. Bezels are available and these cases work well with a modern movement and hands if you don't want to wind each week. This case is 16ins across as can be seen in one of the pictures. The back of the case is 3 1/4 ins front to back 13ins top to bottom and 9ins across. We can send in post for about £12.00
