Description

Antique William IV rosewood Canterbury in good original condition & dating to around the 1830-40's period. This is a very useful & top quality item, that's perfect for holding magazines. It's beautifully carved on the front & there are four partitions. There's a drawer below & it sits on turned legs with original brass cupped casters. There is an old repair with a metal bracket showing inside one of the partitions which we have shown in one of the images. I think it's best to leave as is, because it must have been done along time ago & it's all part of the character. Width - 22 inches, 56 cm Depth - 16 inches, 41 cm Height - 18 inches, 46 cm
