Description

Antique French gilt wood framed mirror in good original condition, with plenty of natural ageing & dating to around the 1890-1910 period. Please enlarge all the images to see the carvings & the general condition. As you will see there is a bit of carving missing on the bottom left. We haven't attempted to have this restored, but it could be done for an extra cost. Personally I would leave as is & we have tried to reflect it in the price.
