Description

This large impressive antique neoclassical style large chest of drawers is really fine quality with many exotic woods, including Kingwood, ebony, walnut, satinwood & many more. There are four drawers with original brass handles & it sits on tapered legs. It has many fine inlays & marquetry within the woods & it's just been polished, so is in excellent condition. Please enlarge all the images & check the measurements, because it's quite large. I would date it to around the 1930's period. Width – 46 inches, 117 cm Depth – 20 inches, 50 cm Height – 52 inches, 133 cm
