Description

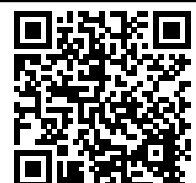

Nice quality & decorative antique mahogany Chippendale side table which I think must have been designed for a specific use. Not too sure what though, but maybe someone out there will know. I'm sure it could have many uses. It's in excellent original condition & is very good quality. The top section has a handle on the top, with an open boxed compartment & gallery on the other side with turned uprights. It has a turned pedestal with a twisted centre part & sits on bold tripod legs with pad feet. This table is structurally sound & has lots of character. I would date it to around the 1910 period. Width - 21 inches, 54 cm Depth - 12 inches, 30 cm Height - 26 inches, 66 cm
