Description

An attractive table that makes a lovely side table. It stands on elegant turned legs. The top has lovely figuring and is cross banded in rosewood. There is black line inlay around the apron and top of the legs. The photos taken outside make it look more orange. I have taken some interior shots too which show the colour better. It is a good height for sitting at as it is 29" high. There is slight damage to the top which I have photographed.
