Description

Vintage 1920s Swiss pocket watch & chain. The watch has a nicely jewelled key-winding movement which is working well. A winding key is included. The movement is stamped Swiss made. The movement is protected by an inner hinged cover. The watch measures 54 mm diameter excluding the stem and the loop. The case is nickel and has light surface marking from use but overall it is in nice condition for a 1920s piece. The case is stamped Pure white metal, Swiss. The glass lens is in nice condition. The white dial has a couple of faint surface scratches and an old repair to the outer edge at 3 o'clock. The watch has blued steel hands. The watch comes on a graduated nickel chain which measures 34cm including the T bar and clasp.
