Description

Antique 1918 silver "Just" pocket watch, 24 hour dial. The watch has good quality stem-winding movement which is working nicely. The movement is protected by an inner hinged cover which has a small "ding" and a little scratching. The watch measures 48mm diameter excluding the winding stem and the loop. The case is hallmarked for Glasgow (import mark), 1918. Overall the case is in good condition with just the odd minor mark and gentle unevenness to the hinged case back. The watch glass is in lovely condition. The signed dial is in very nice condition and the red 24 hour numbers around the perimeter are a handsome feature. The watch comes in a new presentation box.
