Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 552 24 jewel fully automatic movement, as you can see it is in fabulous condition. Everything about this watch, it has a rare numeric dial, the Omega logo on the winding crown and on the clasp of the bracelet. The integral bracelet is also of solid 9ct and is heavy. It will fit a wrist size of up to 7.75 inches or 19.5cms. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34.5mm in diameter not including the crown. Overall this watch is in incredible original condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped...
