Description

Fine quality antique Georgian style burr walnut desk with a double serpentine shaped front & beautifully finished all the way around, including the back. I would date it to around the 1930's period & it's in excellent condition. It has the original tooled leather writing surface, with drawers of graduated depth below that have original nicely cast brass handles & it sits on bracket feet. What's particularly useful about this desk, is the generously size kneehole area, especially for a desk of this size. The burr walnut veneers are stunning & beautifully patterned all over. Width - 46 inches, 116 cm Depth - 22 inches, 56 cm Height - 30 inches, 76 cm Knee height - 24 inches, 61 cm Knee width - 19 inches, 48 cm
