Depth = 15 cm (5.9")

Description

A Stunning Pair Of Crystal, Nickel and Copper Wall Sconces by Renowned Maker J & L Lobmeyr, Vienna. Of semi-circle form with an attractive central embossed copper panel with leaf decoration. Flanked to either side by vertical baguette-cut glass. Over the two tiers below hang roughly twenty two crystal lustres drops interspersed with baguette-cut drops. The light frame is finished in nickel silver which contrasts really well against the crystal and copper. These lights will make a real statement where ever they lay their hat! Would suit a modern or period interior. J & L Lobmeyr was founded in 1823 by Joseph Lobmeyr. When his children acquired the company they renamed it J & L Lobmeyr, named after his son Joseph and brother Louis. They soon become world renowned and provided a crystal chandelier for Schönbrunn Palace and other clients. They also had a partnership with Thomas Edison with whom they co-developed the first electric chandeliers in the world, in 1880. They also worked for the King of Belgium, the Duke of Brabant, and the Court of Flanders. In recognition of their services, they were titled purveyor to the Imperial Court. In 1917, Louis died. The company was le...
