Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 601 manual winding movement, as you can see it is in fabulous condition. Everything about this watch is original, the dial is in mint condition and has not been retouched in any way. It has gilt hands and baton markers. It also the Omega symbol on the crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in incredible original condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a mic...
