Description

Good clean 19th century French mahogany, serpentine shaped card table with carved cabriole legs all round. The table has a very nice pleasing moulding around the top with rounded corners. The table has a shaped frieze with thin moulded cabriole legs with carved knees. The frame pulls out at the back to support the top when opened up and has a storage drawer built into the frame. The baize inside needs replacing otherwise good. The table is a nice colour with waxed finish, the top has been sympathetically re-polished. Some minor cracking to the veneers on the top but nothing serious. Basically a nice simple, useful table that isn't too expensive. SIZE; 34 1/2" wide by 17" deep by 28 1/2" high CIRCA; 1850 - 1870 ORIGIN; French provincial
