Description

A very fine example of our most popular selling style of clock. The walnut and ebonised "rocket" case is beautifully polished with a quarter-cut book matched veneered backboard. The enamelled dial has black Roman numerals, finely cut hands, and a subsidiary seconds dial. It is totally free of any chips, cracks or crazing. The 8 day movement strikes on the half-hour and the hour. It has just been fully serviced by our BHI registered staff and carries our usual 12mths full parts and labour guarantee. Dimensions shown include all finials. A very appealing clock. All cards accepted.
