Description

Very stylish and rare modernist Art Deco English 8 day clock. Dating to the 1930's and made from catalin bakelite in a lime green and deep red chocolate colouring. The chrome feet compliment the dark bakelite beautifully. The clock has been as with all our clocks been recently serviced so comes to you in good working condition and has a nice relatively quiet tic. There is some pitting to the chrome work at the back of the clock that houses the movement. Otherwise the clock is in good vintage condition with a serviced movement keeping good time.
