Date of manufacture: 1900

Dimensions

Height = 30 cm (11.8")

Width = 12 cm (4.7")

Depth = 12 cm (4.7")

Description

A beautiful Edwardian tall cut lead crystal vase c1900. It has a plethora of cut detail - the main pattern below the chevron cut rim is a pair of outswept hanging Laurel branches divided by a downward vertical cut line to a lower pattern of tulips. Below this is a band of horizontal lozenges, sitting above a baluster knob, cut with circles, and wide star cut base. It is in perfect condition and incredibly stylish and elegant.

Internal Ref: 43/G20
