Description

What a fabulous piece of furniture that not only looks superb but is very functional too. Originally a linen cupboard to house blankets and sheets this piece could be applied to many applications and doesn't need to be relegated to the bedroom. Dating to the 1930's the real hero of this piece are the doors with the herringbone patterned veneers and central deco motif, this really can't be mistaken for any other era can it. Original bakelite drop handles and stepped ebonised plinth add the perfect finishing touches. Inside is very generously sized offering three open shelves. The whole piece has been restored and so comes to you in excellent condition.
