Description

A rare and small envelope corner table. This very sweet and rare table is a mid 18th century piece made from lovely dark, heavy, Cuban mahogany. It would go absolutely anywhere. It's small proportions would be perfect for a hali (its maximum depth is 37cm) but it would look gorgeous in a small corner somewhere too. The top lifts up to make a square table . Which measures 53cm square. It is a robust little piece.
