Description

A good quality Victorian Mahogany Bow Front Chest of Drawers. Some pieces of furniture just have it all, the looks, proportions, detail and colour and this chest certainly has. Beautiful book match veneers. Column uprights with attractive capitals and pretty rosewood turned handles with Mother-of-Pearl centres. The whole standing on plinth base. Drawers run nice and smooth. Comes in two sections. Professionally joined at some time probably to go up a tight staircase at some stage in its life. A handsome and functional piece of furniture that would grace a modern or period interior.
