Description

1960s Le Cheminant pocket watch and chain. The watch has a Swiss 17 jewel stem-winding movement which is working nicely. The watch measures 43mm diameter excluding the winding stem and the loop. The case gold plated and the sides are nicely decorated. The back of the watch has a shallow indentation and some surface marks. The watch glass is in good condition. The signed dial is in lovely original condition with original ornate hands, a subsidiary seconds dial and outer minute markers. The watch comes with a single chain, 34cm long including the T-bar and the clasp. The watch and chain will come in a new presentation box.
