Description

Gents 9ct gold Accurist wrist watch, 1956. The watch has a signed Swiss 21-jewel hand-winding movement which is working nicely. The watch measures 32mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for Edinburgh 1956 with a maker's mark for the British Watch Case. The case has a 1cm scratch to the back but otherwise is in good condition, as is the lens. The signed dial is in good condition with original hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
