Sold**Item Reference: SA751114****Date of manufacture: 1930**

Description

1930s Tempo pocket watch. The watch has a Swiss 15 jewel stem-winding movement which is working well. The watch measures 47mm diameter excluding the winding crown and the loop. The rolled gold case has some surface marking to the hinged case back and some slight unevenness but overall good condition for such an early piece. The acrylic lens is in nice condition. The signed gold coloured harlequin dial in its original finish and in good condition with just a little marking. Original hands, a subsidiary seconds dial and outer minute markers. The watch will come in a new presentation box.
