Description

For your consideration is this extremely stylish English Art Deco Blonde heavily figured Walnut two-door, two drawer single-piece tallboy, circa 1930. Not only does this tallboy look the part but it's extremely useful too having a very generous interior to both the top area which has two open shelves and two drawers below which run smoothly with their original brass military styled handles. Original wooden bar handle to the exterior doors. The veneers are the real hero of this piece, natural honey blonde in tone and heavily figuration on the veneer patterns, even the top and sides have the same quality veneering which is unusual and shows real signs of quality. Having been fully and professionally restored this lovely piece comes to you in great condition with no faults to note. All doors and drawers open smoothly, all fittings work as they should.
