Description

A lovely antique mahogany lamp, in the Georgian style. I would date this from around the 1920-30's & it's of great quality. It has a turned and fluted stand, with four splayed sabre legs terminating in brass hairy paw feet. We have paired this with a stunning vintage silk shade that is in very good condition for its age, with barely any wear to be seen on the outside. The inner lining of the shade has a few small perforations, seen in the images. This has been re-wired and PAT tested, it is in good working order. Width base – 14 inches , 36 cm Width shade – 18 inches , 46 cm Height to socket – 54 inches , 138 cm Height to shade – 68 inches , 173 cm
