

SA753097

A very rare 19thC pair of
porcelain Staffordshire dogs

Price

Sold

Item Reference: SA753097

Date of manufacture: 19th Century

Dimensions

Height = 13.5 cm (5.3")

Width = 11 cm (4.3")

Depth = 8 cm (3.1")

Description

This wonderful pair of Staffordshire dogs are unusually made of porcelain as opposed to the normal pottery. They are a very fine example and in very good condition. Their legs are splayed and separated from their body. The painting of their fur has good feathering and they have wonderfully expressive faces. A most unusual find and a good addition to a Staffordshire collection.
