Description

A good quality mid-Victorian mahogany WALL CLOCK in excellent condition and in full working order. The case is original with a side door to access the movement and a lower curved door, whilst the solid one-piece mahogany surround is undamaged and of good colour. The bezel to the front door is cast brass and opens for winding through the 12-inch diameter dial, which retains its original paintwork. The fusee movement is of eight-day duration, and retains its original pendulum. Perfect working order and guaranteed for at least two years.
