Description

Bronze figure of a young girl with sheath of corn and water bottle, supporting the seven branches, each branch supporting eight crystal drops, with centre pillar supporting multi-crystal drops. Ready to go, with eight new beautiful hand made shades. All supported on a square block of alabaster/marble and sturdy footed bronze base. A very heavy piece which has been rewired, we have shown it illuminated but this re-wiring is not earthed so would need checking by a qualified electrician. A fabulous interiors piece. Measures 77cm high 47cm maximum across the shades and 21cm square base
