Description

A lovely pair of Sterling Silver trumpet vases. They are stylish and good quality with a flared rim and slender tapering body with a circular foot and weighted base. They are each clearly hallmarked for Horace Woodward & Co, London, 1900. They are also stamped with the serial number "73413". They come in their original fitted case with silk and velvet lined interior. They are in good condition for their age. There are signs of age and use, some minor dents and dinks around the bases and light surface marks but overall they display well. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask Tracked UK delivery £5, rest of the world £20.
