## Description

A superb Victorian oak hall table with two concealed drawers. The style is influenced by the Gothic Revival of the mid to late Victorian era. It has a raised shaped gallery along the back and stands on turned legs. It has two concealed drawers in the front, beautifully shaped with a square raised panelled design that matches the sides. It is in excellent condition for its age and has a lovely rich colour with a wonderful tiger grain across the top. There are some minor signs of age and use and some small old knocks and marks but nothing detrimental or untoward. It is a good sturdy table and it displays beautifully. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions at all please ask. Free local delivery within 10 miles of Ashburton. Regular deliveries to London for £60. Nationwide delivery available, please get in touch for an accurate quote.
