Description

A very smart walnut and ebonised single-weight Vienna Regulator by GUSTAV BECKER. The one piece, slim-line case is in walnut with ebonised embellishments and with glazed side panels. The backboard is quarter veneered. The brass weight and pendulum are in first-class order, as is the enamelled dial which is free from chips, cracks or crazing. This much sought-after timepiece is complete with original key. The clock has just been fully overhauled and serviced by a fully registered member of the BHI.
