Sold**Item Reference: SA75545****Date of manufacture: 1900**

Description

A very attractive, spring driven wallclock of medium proportions. The walnut case is in beautiful condition with a lovely rich, warm, deep patina. It has a quarter veneered backboard. The enamelled dial is totally free of any chips, cracks or crazing. The 8 day movement strikes on the half-hour and the hour. It has a gridiron pendulum. This clock has just been fully overhauled and serviced by a fully registered member of the BHI.
