Description

A beautiful Victorian oak desk of good large proportions. It has an arrangement of 9 drawers around a central kneehole. Each drawer has its original brass ring pull handles and the locks are stamped VR for Queen Victoria. Each pedestal has a plinth base and castors below. The top of the desk has a good quality dark red leather writing surface with a gold tooled edge. It is a good size to work at and the kneehole is approximately 23 1/4" / 59cm high x 20 1/2" / 52cm wide. The desk is in good condition for its age and has been well looked after. It has a lovely rich patina and the drawers open well. The inside of the drawers are generally clean and tidy with just some minor ink stains. There are some normal signs of age and use, some minor knocks and light surface marks but nothing detrimental and the leather surface is in good condition. The desk has been cleaned and polished and displays beautifully ready for use.
