Description

A wonderful mid-century modern / retro ice bucket to adorn your home bar made from silver plate and having been through our silversmith's workshop, restoring it to its former glory, professionally cleaned and polished. The feet and below the handles have foliate decoration as does the terminal of the draining spoon. The underside is where the mark for Macabo Cucina can be found and "Made In Italy". Dating to c.1950, it remains in excellent condition. A rim diameter of 5" x 5" tall or 7 1/2" to top of upright handle; the draining spoon measuring 8" in length.
