Description

A very unique and quite rare stationmasters clock by the World renowned maker LENZKIRCH. An outstanding example in a very high quality mahogany case, having bevelled glass to the lower panel of the door. This clock strikes on a rod on the half-hour and the hour with a beautiful crisp tone. The striking block, the movement and even the pendulum are stamped with the Lenzkirch name. The serial no. of the clock is 848550. The double brass weights and the pendulum are in first class order. This clock has just been overhauled and fully serviced by a fully registered member of the BHI.
