Description

A small solid silver 'repousse' cased carriage timepiece with ornate handle and an 8 day key wound movement. This clock bears the hallmarks of Rattray & Co of Dundee and has a letter stamp of a 'p' in a shield. We are not sure if this dates it to 1910 or 1938. The movement has been fully overhauled by movement makers. A very attractive and small silver timepiece. Please remember we are closed Sundays and Mondays, open every other day from 9am until 5pm. During this Pandemic we are asking for customers to call or email in advance as we are having to operate a 'Covid safe' retail environment.

Internal Ref: Repousse Rattray
