Description

Antique Late Regency Mahogany Chest on Chest and dating from around 1820-30 . Constructed from quality mahogany it has a moulded cornice top with deep flamed mahogany crossbanded frieze with satinwood stringing . This is above two short drawers over three long graduating drawers all of which are pine lined with turned mahogany knob handles. An attractive feature is the wide satinwood banding to each side. The base is moulded to the top above a crossbanded frieze and with three long graduating drawers all of which are pine lined with turned knob handles. It is raised on bracket feet joined by a shaped frieze. The top separates from the base for ease of transporting.
