Description

A lovely antique mahogany side table on tapering turned legs dating from the late 19th Century. Nice proportions with a beautiful rich patina and a single long drawer with its original turned knobs. Perfect as a side table or a small writing desk. The drawer is divided into two sections internally and has been lined with green baize at some point. It is in very good condition for its age. The drawer opens well and is generally clean and tidy inside. There are some minor signs of age and use, some marks, light knocks and scuffs around the legs and a few minor marks on the top but nothing detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton, Devon. London delivery £50.
