Description

A very stylish silver compact case. Very attractive design, the case is a square shape and is decorated with linear pattern to both the front and back. The lid is hinged and the case opens when a rose gold-coloured button is pressed at the front. Inside the case has a lovely gilt finish and clear hallmarks are visible for London 1944 along with the Lion passant indicating sterling silver and the maker's mark: M Wachenheimer & Co Ltd. This is a particularly fetching silver case. (It was intended as a compact as we know this maker only produced compact cases however, it could be used as a shallow case for other items.) It does not contain a mirror. Condition: In great vintage condition. Hallmarks: London 1944 by M Wachenheimer & Co Ltd. Measurements: 8cm x 7cm x 1cm Weight: 105 grams
