Description

A fine example of an antique Sterling Silver vesta case. It has an enamel plaque of a dog in the centre that looks like a scruffy Labrador. It has a hinged lid and a ribbed base for striking. It is clearly hallmarked for Henry Matthews, Birmingham, 1918. It is good quality and well made, measuring approximately 1 1/2" (4cm) wide and high. It is in good condition with a clear hallmark. There are no major damages and it displays well. There are signs of age and use, some faint surface marks, light scratches and a few small dinks but nothing detrimental. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK delivery £5, rest of the world £15.
