Description

An Antique George IV Sterling silver chamberstick which has a plain round shaped body with reed detailing, a removable snuffer that sits neatly on the side of the handle, a detachable nozzle and resting on a flat base. This heavy and well made silver chamberstick has been well cared for over the years and would make a useful addition to a collection. Every separate piece is fully marked and the condition is excellent. It was hallmarked in London for 1828 by Robert Garrard and weighs 14.50 troy ounces (451 grams). Complimentary Worldwide shipping is included within the price of this silver chamberstick.
