Description

Beautiful French Farmhouse Table made in C1860. Fantastic colour with patina through years of use. Solid and sturdy with a drawer in one end and extending board that can be used for prep or extra seating. The extension is very sturdy with a drop-down leg, which although slightly warped is solid and folds and slides into the underside of the table when not in use. The result is that the extension is virtually unseen when not in use. It has been tipped for legroom and has traces of very old woodworm. A fantastic dining table with plenty of legroom. Would comfortably seat eight. 197cm long x 84cm wide x 75cm high 61.5cm legroom
