Description

1925 Elgin full hunter pocket watch. The watch has a stem-winding movement, seven jewel grade 291, which is working well. The movement is fully signed and the serial number 28312856 which dates it back to 1925. The movement is protected by an inner hinged cover. The watch measures 50.8mm diameter excluding the winding stem and the loop. The case is gold filled and was made by the Illinois Watch Case Company. The case has minor surface marking from use but overall it is in nice condition for a 1920s piece. The winding crown pushes in to release the front cover. Inside there is a glass lens which is in nice condition. The signed dial is in nice condition. The watch has its original blued steel hands. The watch comes in a new presentation box.
