Description

A lovely pair of Sterling Silver vases. They are stylish and good quality with a slender tapering shape, round weighted foot and bold angular handles. They are each clearly hallmarked for Williams Ltd, Birmingham, 1909. It also has a patent number 'Rd 519238'. They are in good condition for their age and display well however they have suffered some damages. There are some dents and dinks around the base and body and some light surface marks which I have tried to show in the photos. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Tracked UK delivery £5, rest of the world £15
